

# Nature Tour - Krka Waterfalls

## Optional Trout Lunch

**Frequency:** Daily

**Duration:** app. 9 hours

**Departure Split:** 08:30

**Description:**

Using the new Croatian national highway, from Split we travel to Skradin. And from Skradin we take a 20-minute boat trip to the bottom of the Krka Waterfalls.

The 109km<sup>2</sup> Krka National Park was founded in 1985 to preserve the unique environment around its beautiful waterfalls. In the National Park you can find almost 900 plant species, 220 animal species, 18 fish species and the largest micro-bat colony in Europe.

In the Park we will also visit the ethno-village and the world's first water turbine, created by the famous electrical engineer Nikola Tesla.

Afterwards a trout lunch can be enjoyed in Skradin.

**Minimum Number of Participants:** 4

**Meeting Point:** Dencall Internet Café - Obala kneza Domagoja bb

**Price:** 350 Kuna per person (price for lunch app. 100 kuna)

*(Price includes bus transfer, guide and entrance to the national park).*
